How to do Business with Our Buying Offices

1. Identify your Product

- Correct Federal Supply Classification (FSC) code (www.dlis.dla.mil/h2/) and North American Industry Classification System (NAICS) code (www.census.gov/naics)

2. Register your business

Register in the Central Contractor Registration (CCR) (www.ccr.gov)

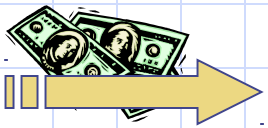
- Must have DUNS number (https://eupdate.dnb.com/requestoptions/government/ccrreg/)
- Must have CAGE code

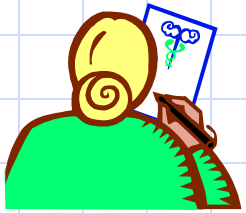
3. Learn Procedures

- Selling to the Military Handbook (www.acq.osd.mil/sadbu/publications/selling/index.html)
- Selling to the Army (www.sellingtoarmy.info)

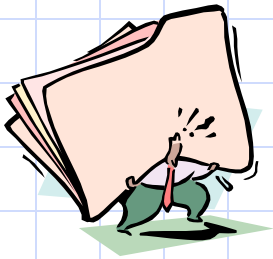
The “Process”

Requirement

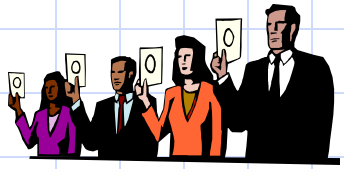




Solicitation



Offer



Evaluation

Contract Award

Performance

4. Identify Buying Offices

- Learn which buying offices purchase your product or commodity.
- Contact the Small Business Specialist in appropriate buying offices.
  - Brief Capabilities Statement
  - Product Brochure
  - Contact Information

5. Investigate Opportunities

- Federal Supply Schedule
- Small Business Programs
- Subcontracting
- Commercial Buys

- Federal Business Opportunities (www.fedbizopps.gov)
- DOD Emall (emall6.prod.dodonline.net)
- Army Single Face to Industry (acquisition.army.mil/asfi/)

6. Market your Firm

The first presentation of your company's capabilities should be directly to the Small Business Specialist at the activities that buy your products or services.

Seek Assistance

- Procurement Technical Assistance Centers
- Small Business Administration
  - SCORE
- Business Development Centers
- Chambers of Commerce
